

INTERMEDIATE BAND KARATE

Welcome to Book 2! The Karate belt system is used in martial arts training to mark the progress a student has made in their study. Similarly, display your proficiency on your instrument by earning belts for Band Karate!

PASS OFF PROCEDURES

Students may pass off objectives during their class period when an assignment has been made the class prior, and announced it will be Band Karate the following lesson.

All performance material must be performed with characteristic tone quality, correct notes, correct rhythms, dynamics, phrasing and articulations.

Preparation must be clearly evident! Failure to pass off material will result in the student attempting at their next lesson, or the next Band Karate opportunity.

If you don't pass, don't fret! Keep practicing and try again!
